Cultural, Educational & Fun Weekend Trip Adventures

FREEDOM RISING!

A historical trip of AMERICAN INDEPENDENCE and LIBERTY. Campers will travel back in time to experience and feel the historic wonder of America's legendary fight for independence in

1776 as they visit nearby historic Philadelphia. They will visit the birthplace of the U.S. Constitution, see the Liberty Bell, learn about the inventions of Benjamin Franklin and even eat a famous Philly Cheesesteak!

IMMIGRATION EXPERIENCE

This trip to New York City will retrace the steps of those immigrants who decided to make their new life in the U.S. Campers will tour Ellis Island (gateway to America) and the famous Statue of Liberty.

EXPERIENCE AMERICA'S FAVORITE PASTIME SPORT

Campers will enjoy a minor league baseball game in the scenic riverside stadium in Trenton, New Jersey. Campers can enjoy a grilled hot dog, an exciting baseball game and watch the

sun go down across the Delaware River! It is a picture perfect American event.

HOME STAY SPECIAL

We think one of the highlights of this immersion experience will be an extraordinary opportunity for an overnight homestay. Campers can practice their newly learned and refined language skills in a warm and friendly home of an American family. This home stay provides an excellent opportunity for reciprocal cultural growth and exchange between camper and the host family.

GAMES AND ACTIVITIES

Each day, Horizons USA campers will play side by side with same age American peers as they enjoy a variety of games and activities as part of the George School Summer Day Camp program. Games and activities include: swimming, tennis, soccer, volleyball, hockey, basketball, softball, mountain biking, kayaking, archery, low ropes course, horseback riding, and more. Other non-sport related activities include arts & crafts, nature, stage and theater, dance, computers, off campus trips, etc. We also do many activities with crazy names such as: Jurassic Park, Rapid Fire Kickball, Capture the Golden Egg, Ga-Ga, etc. The games and activities are meant to be fun and enjoyed by everyone regardless of skill or experience.

THAT'S NOT ALL ...

Campers will also have the opportunity to enjoy a shopping trip to a nearby shopping mall, visit a museum, attend concerts and a movie, play miniature golf, tennis, as well as attend area religious services. Campers will also enjoy a peaceful stroll around the tranquil campus of George School. The opportunities for making memories are endless and abundant!
