

Camp Concepts Presents:

Game Exchange

NETWORK

Dear Professional,

Are you beginning to feel like you need some new games to spice up your Phys Ed. program? Do you find yourself going to PE Central to download new activities? Allow me to extend an invitation to participate in a fun and practical workshop that can help. The Game Exchange Network is a fantastic workshop that will immediately benefit your Physical Education curriculum. The Game Exchange Network has been in existence for 12 years now. The purpose of the Game Exchange is to provide an opportunity for professional development and networking for Physical Education professionals. For those who have attended in the past, this has proven to be a beneficial and practical workshop that delivers immediate results.

A few years ago, the Game Exchange Network was fortunate enough to present a workshop at the Pennsylvania and Delaware state AAHPERD convention in Lancaster, PA. The turnout was amazing as over 120 professionals and students attended the workshop to learn about the Game Exchange and to experience some of the top games from the yearly workshop event. This year, we returned to present at the Southeastern District of Pennsylvania AHPERD Health and Physical Education Workshop in West Chester. Thanks to these opportunities and the generous sponsorship from [US-Games](#), Philadelphia Biblical University and Newtown Friends School, the Game Exchange is pleased to be able to extend this invitation to you and any colleagues on your staff.

This full day workshop costs \$35.00. Attendees can earn Act 48 credits and lunch is included. A free T-shirt will be given to the first 60 registered guests. In addition, we ask each participant to come prepared to share two of their most successful Physical Education games or activities. Using the Game Exchange Network game form (available on the web site), each participant will write up the game instructions, objectives and playing procedure. Each participant brings @ 60 copies of each game so that other participants can take home a copy of the games. The event will be held at Philadelphia Biblical University. PBU is very easy to get to; accessible from both I-95 and The Pennsylvania Turnpike. (www.pbu.edu click on *quick links* for directions).

The great thing about this workshop is that you leave with new games to immediately implement into your Physical Education curriculum!

The event is **Thursday, April 24, 2008 from 8:30 a.m.- 2:30 p.m.** If you would like to learn more about the event, please visit our web site: www.camconcepts.org or email me at: camconcepts@comcast.net.

Sincerely,
Steve Haines &
Steve Bernardini
Camp Concepts, LLC

This is an ACT 48 approved workshop. Please contact Paula Beach with questions regarding credit for this workshop. Pbeach@pbu.edu or call 215-752-5800.
