

BIG OAK PARENTS (Grades 1-9) ONLY

We are excited that you will be joining us for summer camp. In our effort to continually improve communication, we are basically beta testing the CAMPAPP this summer for Big Oak campers only. (Little Buds and Expressions will continue to use Seesaw at this time). The goal is to make sure you are always in the loop on camp activities and provide a fun way to engage with our camp! The Camp App will allow you to do the following:

- See weekly updates and reminders from us on our Camp Newsfeed
- View all your child's activities, trips, and events on your Camp Calendar
- View and download pictures or see the link to Instagram updates
- View Video shared videos right inside the App
- View and download important camp documents, schedules, and other supplemental material
- View detailed information on our Camp Trips and Camp Events
- Communicate with us directly by sending us a message.
- Receive a notification anytime information is posted or changed on the app

Once rosters are uploaded, the primary parent will receive an email with a link to join the App. **Default password is 123456**. If you do not receive the link in your email or for some reason cannot join the App by the first week of camp, please contact us as soon as possible. The mobile App is the parent side of the App and can be downloaded in the Google Play or Apple Store by searching **THECAMPAPP**. Both parents can download the app and use the primary parent email for logging on with the default password or whatever you change email to. If due to family situations, a secondary parent needs their own invitation and access, please reach out to me.

Thank you and we look forward to another great camp! We also welcome your feedback regarding the app. Let us know if you find it easy and informational. If you have any questions, don't hesitate to contact me.
