BUMBLEBEES - LINDSEY SKLAR 2ND SUMMER

Hi everyone! My name is Lindsey Sklar, and this is my second summer at Little Buds Day Camp with Camp Concepts. I am a rising senior at Penn State University majoring in Early Childhood and Elementary Education with a minor in Special Education. Teaching has been my dream for as long as I can remember. Throughout my time in high school, I consistently volunteered in classrooms at my former elementary school and held a variety of babysitting jobs. In addition, I have gone to camp throughout my entire life and value all the experiences and memories that camp has given me. I absolutely love working with kids and I can't wait to share my love for camp with my Bumblebees this summer!

DRAGONFLIES- OLIVIA HITCHINGHAM 4th Summer

Hi Dragonflies! My name is Olivia Hitchingham and I am the support counselor for Dragonflies! This is my fourth summer with Camp Concepts! I just finished my first year at UCLA where I am a double major in Education & Social Transformation and Applied Mathematics. While at school, I volunteered at a local elementary school through the CalTeach program and worked as an assistant preschool teacher with the 2-year-olds. I also joined the Pediatric Aids Coalition and worked with children affected by HIV/ AIDS through quarterly mentorship programs! I love coming to camp and getting to know every camper. I am super excited to meet all of the campers, and I can't wait for a fun-filled summer!

Currently, I attend Penn State University where I study Early Childhood & Elementary Education. I also have received my minor in Human Development and Family Studies.

Last summer was my first with Camp Concepts at Little Buds Day Camp, but I absolutely loved my experience and all that camp had to offer. I love working with kids and getting to know them on a more personal level, so I am looking forward to the start of camp very soon! Outside of camp, I enjoy going on walks, listening to music, working out, and spending time with my family and friends.

It's time to bring the energy and fun this summer! I am truly so excited to get to know everyone and make this an unforgettable summer :)
