

Game Exchange

NETWORK

Dear Professional,

For more than 25 years the Game Exchange has been providing a practical professional development **funshop** for those who teach and facilitate games to children. Whether teaching Physical Education classes, extended day programs or even summer camp programs, those who teach games should attend this fun and practical day of shared learning and play. Unlike many workshops, this 'fun' shop is a fully- interactive and shared experience by the participants. Attendees come ready to share/teach a few of their favorite games. After a few minutes of play, the participants then process and share ideas of modifications or considerations based on class size, space, . It is a truly collaborative event! Each participant leaves with 50-75 game descriptions and ideas that can be immediately infused into a program the very next day and it is a fantastic networking event with other PE professionals.

The cost for this full day event is only \$50.00. Attendees can earn Act 48 credits and lunch is provided. The event will be held in the gymnasium at **Bucks County Community College** located at 275 Swamp Rd. Newtown, PA. 18940. <https://www.bucks.edu/campus/newtown/campusmap/>

“Thanks so much for a wonderful day! I look forward to Game Exchange every year! I love learning new games and activities as well as networking with other PE teachers.”

“This is the most practical workshop of my entire school year- I haven't missed one in more than 10 years”

“the best value professional development ever!!! Thank you for helping me improve as a teacher”
